

*"Everything for your backyard...and more"*

# Sheds & Studios

# Cubbies & Forts

# Pet Houses

# Thatches

*"transforming your lifestyle"*

# Buying an **Aaron's Outdoor Creation** is as simple as **STEPS 1, 2 & 3**

## **STEP 1**

Choose the Model ...

that suits your budget, taste and lifestyle

## **STEP 2**

Choose the Package ...

that suits your backyard and needs

## **STEP 3**

Choose the Finish ...

Natural or Stained

We use environmentally friendly, non-arsenic based treated pine, which is both moisture and termite resistant. While the timbers used are of a highly durable nature, the addition of our Aaron's stain will enhance the appearance and protect it from the elements.

# CUBBIES

Aaron's Cubbies are the highest quality on the market.

Every cubby comes standard with a host of features that others would consider optional extras including:

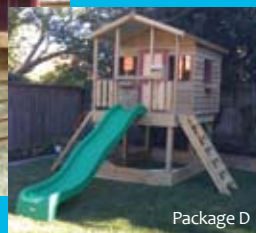

- Colorbond® roof in cottage green
- Skylight
- Stable door
- 2 Flower boxes
- Letterbox
- 3 x Sliding perspex windows with jarrah hardwood frames
- Generous verandah with overhanging roof & jarrah handrail
- A minimum internal height of 1900mm even allows adults room to play
- Moisture resistant yellow tongue flooring with kiln dried treated pine joists
- Galvanised screws and nails to prevent rusting and ensure longevity
- Supplied in kit form with easy to follow DVD – Video & PDF instructions

## STEP 1 Choose your Model

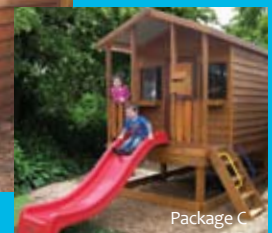

### Townhouse

DIMENSIONS: 1750mm (w) x 2670mm (l) x 2100mm (h)

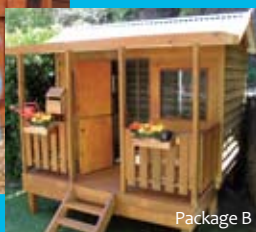

### Ranch

DIMENSIONS: 1750mm (w) x 3270mm (l) x 2100mm (h)

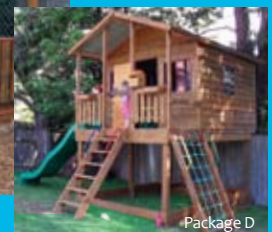

### Homestead

DIMENSIONS: 2450mm (w) x 2580mm (l) x 2100mm (h)

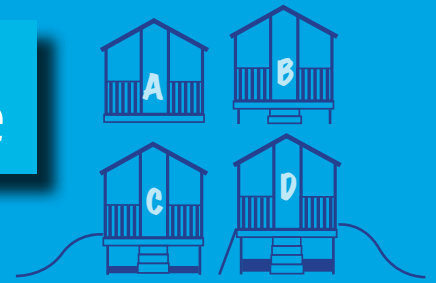

### Mansion

DIMENSIONS: 2350mm (w) x 3270mm (l) x 2200mm (h)

# STEP 2 Choose your Package

## Cubby Package A

Mansion

“able to go directly on the ground”

Total height 2100mm

Homestead

With the solid construction of the floor, including moisture resistant yellow tongue flooring and kiln dried treated pine joists, a Package A can go directly onto any ground surface providing it is level.

## Cubby Package B

Homestead

“perfect for unlevel sites”

Total height 2550mm

### 450mm Elevation Kit

which includes:

- 140mm x 35mm kiln dried bearers
- 90mm x 90mm kiln dried stumps
- Handmade ladder
- 2 Side balustrades

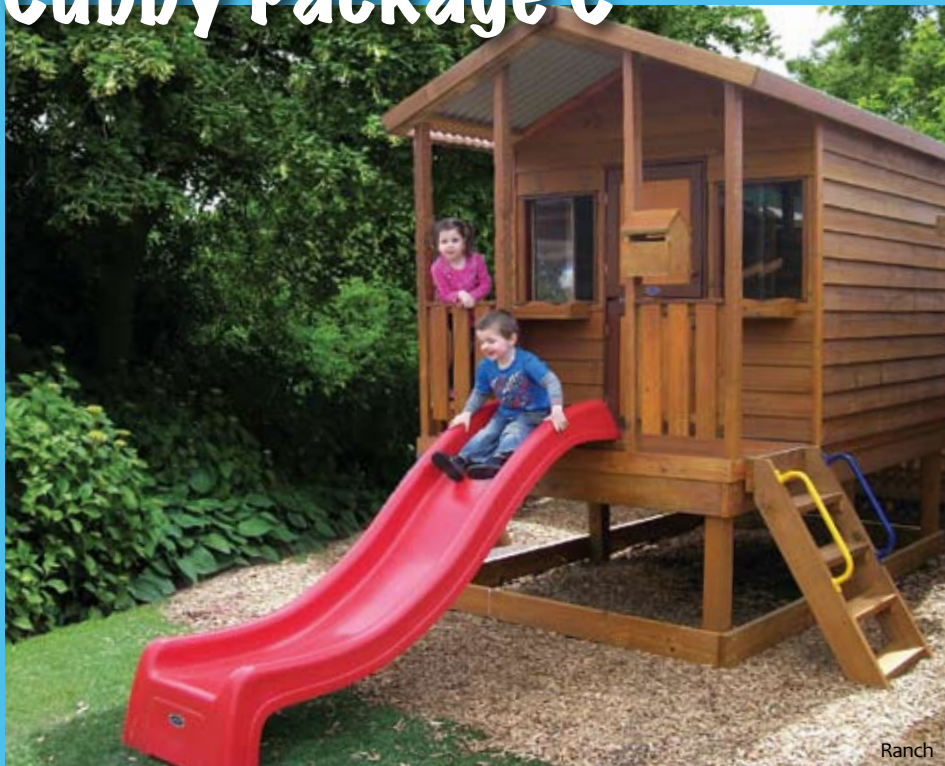

Ladder

Balustrade

Package B is ideal for unlevel sites and eliminates the need for site preparation. The free standing posts are supplied at 600mm long and can accommodate sites that are unlevel with up to 300mm of fall.

# Cubby Package C

Ranch

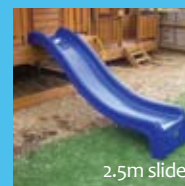

“great for small children or where space and height is a concern”

Total height 3000mm

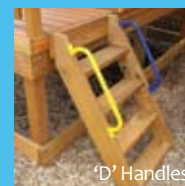

## 900mm Elevation Kit

which includes:

- 140mm x 35mm kiln dried bearers
- 90mm x 90mm kiln dried stumps
- Handmade ladder
- Storage area underneath
- 2.5m slide
- Side balustrade
- 2 ‘D’ Handles

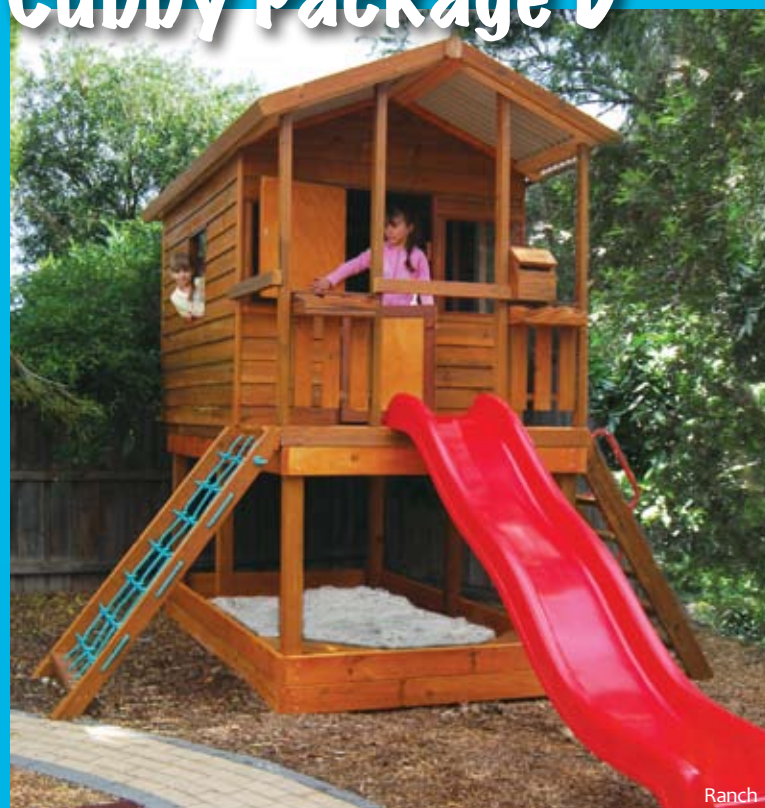

2.5m slide

‘D’ Handles

Great height that includes a slide and creates handy storage space underneath. The free standing posts are supplied at 1200mm long to accommodate sites that are unlevel or require dug-in footings.

# Cubby Package D

Ranch

“the ultimate package to make your kids dreams come true”

Total height 3600mm

## 1500mm Elevation Kit

which includes:

- 140mm x 35mm kiln dried bearers
- 90mm x 90mm kiln dried posts
- Handmade ladder
- Sandpit / Storage area
- 2 Sandpit seats
- 3.1m double wave slide
- Scramble net
- 4 ‘D’ Handles

Sandpit with seats

3.1m slide

Scramble Net

‘D’ Handles

The generous height of the 1500mm elevation means that children can play underneath, turning the one floor space into twice the play area. Posts are supplied at 1800mm long to accommodate sites that are unlevel or require dug-in footings.

## STEP 3

Choose your finish  
Natural or Stained

# ADVENTURE FORT

Every Aaron's fort comes standard with the following features:

- Telescope
- Steering wheel
- 70mm x 45mm kiln dried joists
- 90mm kiln dried decking
- Colorbond® roof in cottage green
- Kiln dried treated pine & jarrah handrails
- Galvanised screws & nails
- Supplied in kit form with easy to follow DVD – Video & PDF instructions

# THATCHES

## STEP 1 Choose your Model

### Balinese

Package B

#### Dimensions:

- 3000mm (w) x 3000mm (l)
- 3000mm (w) x 4000mm (l)
- 3000mm (w) x 5000mm (l)
- 4000mm (w) x 4000mm (l)
- 4000mm (w) x 5000mm (l)

Package B

Our thatches provide an attractive, unique and environmentally friendly roof harvested from a renewable resource that will transform your lifestyle at home.

Our thatches feature hand woven along-along grass (Balinese) and cape reed (African) with all other timber sourced from Australian grown plantations.

The roof is waterproof and has a life span of approximately 10-15 years with no maintenance, mildew or cleaning. Its natural insulation qualities reduce heat by up to 10° in summer, and offers warmth on cooler days.

### African

Package B

#### Dimensions:

- 3000mm (w) x 3000mm (l)
- 3000mm (w) x 4000mm (l)
- 3000mm (w) x 5000mm (l)
- 4000mm (w) x 4000mm (l)
- 4000mm (w) x 5000mm (l)

Package B

### Umbrella

“want to bring Bali home?”

#### DIMENSIONS:

2400 mm (w) x 2400 mm (l)

An Umbrella Thatch is perfect for transforming the look and feel of your backyard or poolside area.
